## Temperature Controlled Delivery Service

Over the years, we have provided dedicated transportation services to all our vendors who specialize in a variety of different food products such as meat, cheese, pizzas, prepared meals etc. Ultimate delivers with a reliable fleet of refrigerated trucks such as Tractor Trailers, Straight Trucks and Vans delivering TL and LTL's weekly to DC's which include Metro, Walmart, Sobeys, GFS, Longo's etc. Most of our deliveries are local, but we can accommodate out of town deliveries as well.

We understand the hazards of transportation, therefore all loads are covered by our cargo liability, as well as insurance coverage. Our transportation professionals will customize a cost-effective solution for you by leveraging our fleet capacity.

We believe that every customer is unique and deserves the best experience! We look forward to working with you.

Thank you
